

a brief note on our approach to wine  
here at 64 Goodge Street.

*On the first page are a few Aperitifs—p.2 to get you going. If you're looking for some fizz, might we suggest our Crémant & Champagne—p.3 which offers by the glass action alongside a carefully curated list of mature & very food-friendly champagnes*

*Should you be looking for a Glass—p.4 & 5 (or a half) we have plenty of options, from assiduously sourced house-pours to something more grand & Burgundian*

*Then a selection of different Whites —p.6 separated into lighter & more food-friendly styles before a similar number of Reds—p.9 first offering Summery light-ish options & then more robust 'bigger' selections*

*You will see both White & Red sections also have entire pages of carefully-sourced bottles from Burgundy, the most beguiling wine region we know & a source of pleasure for all wine-lovers*

*On the last page, you'll find our Cellar List—p.12 & 13 comprising special bottles from some of the world's best winemakers and plenty more Burgundy*
